

FOP Newsletter June 2009

Hello again Brothers and Sisters

You missed another great meeting of Lodge #52. The Lodge has been involved in raffles at the Bike Rally as well as Turkey Shoots. We would appreciate any other idea to raise small amounts of money to add to either of our fundraiser projects – the Criminal Justice Scholarship and the Kops and Kids.

Speaking of the Kops and Kids fundraiser .. this year was just as generous as last year, in spite of the economic downturn. People really believe in what we are doing to help the children.

We partnered with Blue Knights #1 for a space at the Bike Rally that was held in New Bern recently. We have a few commemorative T-shirts left so give us a call.

We also have a display case in the Lodge to show off our collection of LEO patches. If you have any patches you would like to donate we would appreciate that. The collection is very nice so come to the next meeting to see what we have.

NEWS FLASH: We have our own website – www.ncfop52.org. It posts the newsletter and other information about our Lodge. People can look us up on the web, and join our Lodge. It is even set up to accept payment (through PayPal) of our dues for the next year which will be starting in August. Check it out and let us know what you think. Also check out the National website at www.grandlodgefop.org for more information.

REMINDER: Next meeting is Wednesday, July 1, 2009. Time is still 7:30 pm (1930 hours) and still at the Lodge at 2002 South Glenburnie Rd, Unit 5B, in New Bern. We hope to see you there.
